The goal is to implement the Social Interest Housing Mitigation Program (SIHM) as part of ongoing recovery efforts from disasters such as Hurricane Fiona and other significant events affecting Puerto Rico. \n\nThe PRDOH administers various grants from the U.S. Department of Housing and Urban Development (HUD), aimed at disaster recovery and mitigation activities.\n\nWork Details\n The selected contractor will provide construction services related to the SIHM Program, which includes tasks outlined in the Scope of Work document. This encompasses ensuring compliance with all deliverables, timelines, and quality standards set forth by PRDOH. \n\nSpecific projects may include construction work at various sites such as Cooperativa de Viviendas de Titulares Jardines de Valencia, Fideicomiso para el Desarrollo de Rio Piedras Robles #69, and Georgetti Apartments. The contractor must also adhere to federal labor standards, including compliance with the Davis-Bacon Act and related acts.\n\nPeriod of Performance\n The contract will be for a period of eighteen (18) months, with the possibility of two additional one-year extensions based on mutual agreement and availability of funds.\n\nPlace of Performance\n The

specified in the project details.

Bidder Requirements

Bidders must demonstrate capacity to provide services, including submission of organizational documentation and financial information. They are encouraged to engage local subcontractors and professionals based in Puerto Rico.

Bidders must also comply with M/WBE participation goals, aiming for 20% total participation (10% MBE and 10% WBE). Additionally, bidders must possess all necessary licenses and permits required to perform the work.

This initiative is part of the Community Development Block Grant - Disaster Recovery and Mitigation Programs (CDBG-DRMIT), aimed at addressing housing recovery and mitigation following disasters in Puerto Rico.\n\nWork Details\nThe Selected Proposer(s) will provide comprehensive Historic Preservation Construction Management Services for various housing recovery programs, including the Home Repair, Reconstruction, or Relocation Program (R3 Program) and the Single-Family Housing Mitigation Program (SFM). Responsibilities include site walks, scope of work development, technical studies, surveys, design, permitting, abatement, demolition, rehabilitation, and reconstruction of single-family homes. \n\nProposers must comply with CDBG-DR and CDBG-MIT Federal Register Notices and HUD policies. Deliverables will be outlined in Attachment 1 (Scope of Work), Attachment 5 (Minimum Architectural and Design Standards), and Attachment 6 (Minimum Performance Requirements).\n\nPeriod of Performance\nThe contract term is anticipated to be three (3) years with the possibility of extension upon mutual agreement. The PRDOH reserves the right to re-bid the contract at any time during its performance.\n\nPlace
